

here in Ielsa when we were here  
after the first world war & they moved  
back to Louville about the time we  
came to Lawrence - I am having a  
tea for her Monday afternoon & several  
of her old friends & mine, as entertaining  
for her - We have been doing a little  
house cleaning too - Had windows washed  
inside & out - Screens cleaned & moved  
down stairs - curtains washed & ironed etc -

Eileen writes that Wayne continues to  
grow & be a good boy. I envy your being  
able to see him so often.

Owen & Marie will fly up for the  
Thanksgiving holidays & Marilyn writes they  
plan to be in Lawrence for Homecoming  
but will stay with Eileen & Carl - They'll  
be here Thanksgiving too -

We listened to the Nebraska game & it  
certainly was a "happy day" - Did Delf  
play? We didn't hear his name mentioned  
but saw his name in the J. W. lineup.  
Also am happy for John in his Lawrence H.C.
