Mrs. H. F. Johnson
Wymore, Nebraska

Dear Dorothea:

I was out in the garage yesterday, and if you don't come down for your pears pretty soon they won't be worth taking home. Irene made some pear sauce, I think from the fruit of the tree in our yard, and it was very good.

I hate to let fruit rot on the trees, and I hate to have it rot in the basket. It is time you were coming down anyhow.

Much love,

WCS:bjh
