

you must write me about them - the little ones.
must be quite little fellows by this time.
Have not heard from Blanche direct, for ever so
long -

Sunday the 10th - is the golden wedding
of Dr. and Mrs. J. A. Thayer Sr. and I have been
asked to "grow" hope the weather improves.

We have two lovely bowls of mums from our own
yard - picked just before the hard freeze of three
days ago. Jerry is enjoying his first snow and

loves it. He is registered in A. K. C. and has a
long pedigree - His registered name is Jerry of Mrs. Tapis.

I must close and get dressed for town.

Much love from us both and kinship for Left.

Mayes

We watch all the foot ball news of Ralph and John
