My dear Collier -

Now that we have sold our interest in Edgewood Road Addition we have more time for our selves and I think Don will improve faster although he is still calling him out here, as Ray would rather the public would still think we had our interest.

We have been quite gay this week having had three dinners away from home and yesterday P. M. I attended a tea - although I had rather stayed where I could listen to the games. Sorry Neb. beat Kans! Mt N.H. must have played a first game to score 26 - 33
