

MRS. DON ALFRED FREEMAN

Tree Tops — Gull Lake

Brainerd, Minnesota

This is a sad anniversary in
our line, as you well know, dear papa
passed on to heaven on the 29 and
Julia had her funeral in Chicago.
Next summer you can come up
as early as you feel like and stay
with us. I know you would enjoy
fishing out of our large boat, as
every one who goes out in it once
says they never want to fish in
the smaller ones again. Thru, our
bucker, from St Cloud, went out in it
a week ago Sat. and was crazy
about it. Monica wishes to be introduced
to you and Mrs. Jack Birch is now
home from the Hospital but is weak
and has to be careful. Rae Madsen
and Isahel have a baby daughter.
