

MRS. DON ALFRED FREEMAN

Tree Tops — Gull Lake

Brainerd, Minnesota

It seems a chance whether
is really a chance to give a
long write up and tell the truth

McCollough come there.

You all will be glad to know
our new double garage is almost
completed and we shall be able
to put our car in before long now.

agreeable and we like them.

week-end, as there will be plenty
to do when she returns. Getting
