

MRS. DON ALFRED FREEMAN

Tree Tops — Gull Lake

Brainerd, Minnesota

June 19 - 50

My dear Oliver -

It was nice to hear you voice  
on the phone but will be much  
finer when you are here and  
we may visit together everyday.

John, as you know is here with  
his men from Lopeta. They caught  
six fish the first two times out  
I think said each time and I  
do not know what he caught last  
night. Mrs Jack is on the A. N.  
at 7:15 to clean his cottage.  
Yours is ready for you -
