

MRS. DON ALFRED FREEMAN

Tree Tops — Gull Lake

Brainerd, Minnesota

so that Don may mail it in Brainerd
He thinks you will find fishing
much better this year —

What did Dotph Sr. have an
operation for and is he O. K. now
I hope so — for I still love him
in the same old way —

Enjoy your lovely flowers
while you may as things are
so late here — although now they
set out some things I like.

Much love and come soon
In haste GSF & Don —
