

If everything goes my way we
will go to Mary - Beth's wedding
but it is too far away to make
plans now. any way -

But one thing for sure. I am
not going to stay in Minnesota all
myt winter. ~~and~~ I awoke with a

cold and sore throat but Doc
brought me breakfast in to
me and rubbed my neck in
back etc. I am better and
going in to B. with him.

Lots of love for all and
much for yourself from Doc and
