

really got into the Easter spirit.
We had planned on going to church
and having dinner in D. but
had a quiet dinner at home instead.
You just can not count on the
weather from one day to the next.
We are supposed to go to Walker
this Friday but can not be sure
of anything this year.

I am glad you went to Auburn
with Maria and Dolph. I know they
will have a fine dinner for all of
you. Hope our potted *Hydrangea*
arrived O.K. It was ordered here
to be delivered by the florist in Auburn.
We received your check and thank
you very much for being so
kind to us. Which we shall use
it for plants to be put out later as it
will be too late to plant seeds.
