Mrs. L. A. McNalley
Minneapolis, Kansas

Dear Janet:

Mr. Gravitt was in today to talk about a renewal of his lease and I told him that the property now belongs to you and Mac and that you would be in to see him very shortly.

As I have already written to you about the repairs the only thing I will add is this: about the only way you can get the repairs made in a reasonable length of time in my judgment is to call upon Tommy Constant. Other men may promise and not get to the work for a long time, but Tommy will do your work and not charge more than is reasonable.

I will be happy to see you this weekend.

With love,
