

MRS. G. W. BINDLEY  
LONG HILL FARM  
BURDETT, KANSAS

complete record of every grave. On the original plat, there is a lot marked with the name Gowdy, and we found on this lot one grave unmarked, and we are wondering if you can give us any information about it.

Several years later another family with name of Gowdy settled west of Burdett and of that family three are buried in the cemetery here, Ezra C, his son Harry and the father of Ezra C. Are these by chance relatives of yours, and if so, could you give us the name of the father, and date of death.

Hoping you can give us some information, I beg to remain  
Yours Respectfully,  
Geo. W. Bindley.
