

Here, at the Source of the Mississippi River and many other Historical spots around Lake Itaska, the State of Minnesota has created its largest park, known as Itasca State Park.

The river itself plays a great part in inland water transportation and flood control for our central states.

Just west near neighbors  
in these north woods.  
Its a beautiful part  
of the Country. We are  
staying briefly at the  
Hamilton Lodge, at  
Park Rapids. We hope  
you are having a good  
summer. Cordially
