Mr. W. C. Simons  
Route 6  
Brainerd, Minnesota

Dear Mr. Simons:

For the last four days I have been carrying a memorandum to get a letter written to you so today I am scratching it off. Mrs. Parrish came in after receiving Dolph's wire and seemed quite happy about the prospects of spending the winter with you. We made arrangements so that as soon as the Kings came, I would get in touch with Mrs. Parrish. They would be able to move some things into the house a little bit at a time. Ann (that good secretary you mentioned) starts on her vacation the 21st. Connie will take over classifieds and the rest of us are going to handle the telephone since we are not very busy at that time of the month. Connie will terminate soon after the first of September since her husband is in the Reserves and they might
