Page 2 have to leave on quick notice. Mr. Farris has a new secretary (Mrs. Rosemary House) who started to work Wednesday. This seems to cover all of the current events that Ann and I can think of. Hub Meyer was in today on his road to Minnesota and reported that he would probably see you and Dolph tomorrow. By the time you receive this letter you undoubtedly will have had the greetings that Ernie and I sent up to you. Will close for now. Sincerely, LE:ar
