Dear Mr. Simons,

I do not know just when your birthday is except that it is in July. I think a few days earlier than my Father's birthday. His was the 18<sup>th</sup>. I hope it will be an especially pleasant occasion for you and that you may be privileged to have many more birthdays.

At this time I would like to thank you for all you have done both for my Father while he lived and my mother since. It has helped to make their lives happier. I am so glad the church has let mother continue with the financial secretarial work, for she needed the finances, the something to do to fill her time,
