Dean UnckeCollie,

We have just discovered that Rusty and Marg Frink can get away fro a two week vacation on the 26th of August. We thought that if you had some room the five of us...two Frinks and 'era and us.. would stop by on our way to the Hills...the night of the 27th of Augus. I am writing Aunt Grace about the same thing but realize that she had but one extra bedroom and we would require more. Do you thi nk it could be arranged? We would lov to xee you all and of course the fellows would love t to go out on Gull Lake. Maybe hat excellent guide yu havethere would be available....

The Glorious fourth passed without casualty on out part, thank goodness. We had a fireworks party on our front porch the night of the third with the Mitt Allas ad the annas and everything went off fine with so many fathers to watch things.

Sally ran ~~1/4~~ a temperature the fourth but we decided thã it was only too much ice cream and excitement and she was fine the next day.

We love you and hope to see you.

Yours

Mary jule
