Mr. and Mrs. D. W. Dibble
Bennet, Nebraska

Dear Friends:

I appreciated very much the kind invitation of November 25, to join with your Christmas get-together party at your home. I had already received an invitation from Dorothea and Harry and have accepted it so that I shall look forward to seeing you at Christmas time.

I suspect that I shall see quite a change in your daughters, especially in the younger one who has had two years' growth since I last saw her.

With best wishes, I remain

Sincerely,

W. C. Simons
