BENNETT, NEBRASKA

Personal

November 25, 1950.

Mr. W. C. Simons,
Lawrence Journal-World,
Lawrence, Kansas.

Dear Mr. Simons:

We are going to have the traditional Christmas "get-together" at our house at Bennet this year. Dorothea and family plan to be with us and we would like very much to have the pleasure of your company at that time.

You will recall we were together two years ago at Christmas and I believe that we all had some fun. So, we will look forward to having you with us, if it is possible for you to come.

With best regards,

R. W. Dibble
