

Dear Uncle Collie

Sorry to miss you all the  
around. Hope you have your plans  
for the fall made to your own  
satisfaction by now...we will be  
anxious to hear them. That Jay  
Sawyer was the uncle of my high  
school beay and knew my mother  
when she was a girl too. He was  
the son of the Taylors who lived  
behind Baboo in Chicago.

Will see you soon. Chas is  
getting a few good fish and loving  
it up here. Vera is with us too

Lovingly Mary Jule
