Dear Mr. Amois:

I thank you for your letter of sympathy. You know just how hard it is to lose one's wife. The sense of loss at times is almost more than one can bear.

I shall make my home with my daughter Mary and her family - her husband Dr. H. W. Scott, and her three children. They have a large house and I think they really want me to come. Perhaps I can help them sometimes with the children, and it will be much less lonesome for me than living by myself.

My son Charles and his wife Henrietta have been with us in Northport for the last six weeks. I am very glad that my wife was able to have about six weeks in Northport this year with her children
