Dear Mr Simon, -

So nice to be in your
home & especially having such
a nice room mate as your
daughter. I enjoyed the Graduat
ion so very much. Felt mighty
proud to have two such fine
braves in line. I know you will
miss Eileen & Carl and that
dear little Wayne. I suppose they
are in their new home by now.
I believe summer is here now
for sure quite hot here the past
few days. I am getting a little
anxious to be on my way I sail
the 13th of July. Will be in
Hondolun 2 weeks sail from
