Mr. W.C. Simons,
2500 Vermont St.,
Lawrence, Kans.

My dear Mr. Simons:-

I trust you will pardon the delay in acknowledging your letter of recent date in regard to John's ear trouble and his general deportment in the Woodcraft School. I regret that it will be impossible to give you a report of these matters at the present time.

The Surgeon who is to investigate and make a report on John's ear trouble is incapacitated at the present time and unable to attend to this. The Woodcraft instructors are not with us during the winter session and it will be necessary to get reports from them. This will have to be done by correspondence. Just as soon as possible you will be sent a full report.

Sincerely yours,

L.R. Gignilliat,
Brig. Gen. Res. (Supt.)
