Dear Patricia:

I enjoyed very much your friendly letter of June 22. I think that Margaret and Otis are planning to leave Friday of this week, which would be the 29th. I shall be sorry to have them go because I have liked both of them very much, and Margaret has kept my home very nicely.

I have enjoyed my acquaintance with you and am glad that you enjoyed being in my home. I can assure you it was a pleasure for me to have you around. You make an ideal guest.

If you have any occasion to be in Lawrence at any time I shall be very glad to see you.

Cordially yours,

W. C. Simons
