

Mrs. Edna Whitver, June 13, 1950

The couple that has been with me for about a year and a half will be leaving soon. I hope I shall be fortunate in securing someone else.

I should be happy to have you visit me sometime and meet members of my family. Saturday of this week, the 17th, I shall attend the wedding of a granddaughter, the last of three granddaughters to be married. I have seven grandsons, of whom only one is married, and I have two small great-grandsons, one of whom I have not seen.

We have really had a very pleasant year here so far. It was dry early, and then we have had copious rains which have made all trees, shrubs and flowers to grow luxuriously. I think our home is the beauty spot in Lawrence. ~~It~~ lies out to the south of the city, with all modern conveniences, and is surrounded by almost a forest of beautiful trees, ornamental shrubs and so forth. I shall be glad to have you visit me sometime and see it for yourself.

With continued good wishes, I remain

Sincerely yours,

W. C. Simons
