Dr. E. J. Haerle
Minneapolis, Kansas

Dear Dr. Haerle:

Will you please advise me if you have ever been paid for attending me on April 22 while I was in Minneapolis? I am afraid you have not been paid, and I wish you would send me a statement so that I can send you a check.

I thoroughly appreciated the efficient way in which you handled my case. I had a slight return the other day due to eating some fresh pork, but instead of being alarmed over blood pressure or heart, I was sure it was an upset stomach and was not frightened.

I am expecting to be in Minneapolis Saturday of this week to attend the wedding of Mary Beth McHalley, my granddaughter.

Cordially yours,

W. C. Simons
