Professor and Mrs. H. E. Jordan
1600 Kentucky Street
Lawrence, Kansas

Dear Professor and Mrs. Jordan:

I want to thank you for the announcement of the marriage of your daughter, Myra. I remember her well as a beautiful and striking looking young woman. I also remember her kindness to my daughter, Dorothea, now Mrs. H. F. Johnson, when she visited Europe some years ago.

I am sorry that her home will be so far from yours, but such things seemingly have to happen.

With best wishes to you, I remain

Cordially your friend,

W. C. Simons
