Dear Charlie:

This is a delayed answer to your very courteous letter of April 25. I can assure you that it was a pleasure for us to have you in our home, and we like to have you and Mary Beth feel that it is your home and your place to meet at any time that it seems convenient and best to you.

I am always glad to have our children and their children in our home, and Mary Beth is a very brilliant girl and you are very fortunate in having her love.

With continued good wishes, I remain

Sincerely,

W. C. Simons
