Dear Mr. Simons,

We would like you to know how much we enjoyed spending a weekend in your home earlier this month. Your lovely home and your fine hospitality helped to make our visit with Margaret and Otis very pleasant indeed.

I called your daughter, Mrs. Maloney, after we returned to Tulsa and told her of our visit with you. She is a lovely person, and I am sure you are proud of her.

We are certainly glad to have met you and hope we will see you again.

Cordially,

Lucille + Harold Staadt
