Dear Granddad,

I hope I haven't been too long in returning this - as you can see I don't have all the dates on my father's parents - if it is necessary may I suggest to save time you write my father - F. B. Daly - 437 Beacon Ave. - Phila., Miss.

Blanche came down Saturday noon with the Riggs and back Sunday - it was so nice having her only wish she could have stayed longer.

I hope you are well - Let us hear from you again soon.

Love from us both.
Maie
