MRS. H. S. HOLMGREN
AUBURN, NEBRASKA

Dear Mr Simons,

May I take this opportunity to invite you to home dinner with us on Easter Sunday? — I have written Marie asking them to come up, and can think of nothing that we could enjoy more than to have you also —

It seems like such a long time since we have seen you, especially in Auburn — so please plan to come Sunday for us. —

Hoping to see you then, — and with kindest regards from both Households here. —

Sincerely,

Mrs H S Holmgren

Thursday Night
