Dear Kathryn:

Thank you for the beautiful Easter card just received. I really forgot to send out cards this year, although I should have done so.

I have been reasonably busy, my days being more or less alike, not too arduous but enough to keep me in touch with the business.

My health has been excellent and I still keep up quite regularly the exercises that I began taking more than twelve years ago.

My son, Dolph, has been kept exceedingly busy making addresses. They are the wholesome, patriotic addresses that you would love to hear. He has been urged to run for governor, but he feels a good deal as I have felt, that we are doing a good thing for our state and nation in operating an honest, straightforward newspaper.

I'll send you herewith a check for \$5 that you may use for flowers or for anything that you wish.

With love to you and yours, I remain as ever

Your loving cousin,

P.S. Do you happen to have a late address of Leland Gowdy. I like to keep track of them but they have moved more or less frequently.
