

Dear Cousin Collins,
I have missed hearing
from you, hope it is because you are
busy and that your health is very
good. Eugene's and Willard's work hasn't
been steady this spring due to bad weather
part of the time. Betty is working part
time while Willard is home. All of them
will attend Easter Service together and then
spend the day here. Hope your Easterday
is a happy one. Love Katherine -

Each flower in this bright bouquet

Brings you an Easter wish today

A wish that's warm, sincere, and true,

And filled with gladness,

just for you!
