

yet how thankful we ought
to be in doors of a Warm Room
while many are perhaps
starving but I just stepped
to the door and I see it
had abated and the evening
looked clear and beautiful
you may think I have
changed my opinion very
quick, ~~I have been trying~~
experiments in Philosophy
I have taught my little brother
I have no smoke or punch
to day as it has been
washing day I have had
a call from my friend

Miss Martha Abbott and also
from Miss Julia Gage I will
close.

Tuesday March 3rd 1852 My Health
is quite good with the exception
of a very bad cold I have been
learning my french lesson ^{this evening} I have
not got my ~~abstraining~~ lesson
to day I have not touched any of
my embroidery ~~over~~ Drawing
for some time I expect to
have a new french key
in a short time father has not
been to Chicago yet to purchase
an instrument to practice
upon which will soon
