

PANAMA LINE

S.S. _____

After spending so many years
in the tropics I feel that I
should have a place (at
least to spend the winters)
where it is not so cold. There
are so many of my family
(^{nieces, nephews} sisters & a brother) who live
in Missouri, Illinois & Indiana
that I shall always feel I
can go somewhere else for
a few months of the year
if I do not wish to stay
twelve months in one place.
