she cant seem to adjist herself here, and it seems unfortunate since Mr. Lessenden is so satisfied with the place and his work and friends - He said Mrs. Lessenden doesn't seem to find enough to do and with me I never seem to have time to do half the things I want to - My work and friends + family (2 nieces + their families) keep me very busy.

Anytime you ful like sparing me the time I shall be pleased to hear from you -

Sincerely -

Edna Whitten
