THE SHAMROCK

MAIN AT BELLAIRE - HOUSTON 5, TEXAS

Monday - 10:30 am.

Dear Grandad, Dolph + John -

We leave here in 30 minutes for the airport, then off to Havana + points south. Should be in Lima at 5 am in the morning. Have changed to the Bolivar Hotel in Lima, from the Cillon, but will watch for mail or messages at both places.

Maria didn't feel so well on the last part of our flight yesterday, but is better this morning. I feel it is a cold and being worn out from all her remodeling + planning on getting away, more than air sickness. I am hoping for a good smooth flight this afternoon + tonight, and then a good rest in Lima.

The Shamrock is a beautiful place, excellent service, + good food. We have a very pretty room on the 7th floor.
