Dearest Dad:

I am anxious to see your book published and to read it in entirety. It is going to be extremely interesting - not only to the family - but to the public also.

The sketch you have written about me is very complimentary. I have made a few corrections and three suggestions. I wonder if saying that I was in the B class might indicate ^{to some} that I was doing B work. That is why I suggested using 1st & 2nd semester rather than B & A class. As long as you are stressing my scholarship, due to my grades, on my high school diploma are the added words cum laude (with honor) which you ^{also} might wish to add. That is
