

It is now evening and getting colder
and I do hope Don will be able to postpone
his trip to St Paul -

With a great deal of love from
Don and myself and best wishes
to Margarethe King -

Affectionately

Gracie

I have not bought anything as yet
with the check you gave me for Christmas
where I do I'll let you know - I want
to buy it in the Timbuctoo -

The little Besick boy is still very good
where he comes with his mother every
Friday A.M. - and very bright
can help do lots of little things too
