We are going home for Christmas but will only have the one day since it falls on Tuesday.

I finally finished up my work on the Community Chest. My district made its quota - thank goodness + had \$17.00 to spare.

I think of my sweet dear grandmother so often - and wish that she and Bob could have known each other.

I know how much you must miss her.

Well, I must start our dinner so I will bring this to a close.

Do write us soon. Eat lots of turkey Thursday + have a grand time. We will be thinking of you.

My thanks again for the check.

Lots of Love,
Marilyn
