

past week but seems
well away now.
Mother & Dad were
with us since the week-
end. We have no plans
to be with them in
Julia in the near future
but have decided to
stay here. I know &
also I hope going to see
their house is still in
a mess of decorating.

We miss seeing you
all in Laurence. Perhaps
we can meet in Julia
again around the New
Year. What are your
plans please. Mary Beth
will be graduating
soon - an anniversary to
be remembered.

Again, my thanks for
the thought full & very
nice gifts. Much love to
you from all of us.
Lillian
