

Louisville Ky.

October 5th

Dearest Dad: —

Arrived here Wednesday evening & have been partying ever since.

I am really looking forward to going over to Lexington to Kenland next Wednesday for lunch and the race. Mary's friends are all here & her two charming sisters from Danville came in yesterday & I'm enjoying them.

It's very warm here, unseasonably so.

Love you loads & will see you soon —

Yours sweetly

Blanche
