

Wayne man, will use + thoroughly enjoyed it.

Looks as if H.O. may have a team this year - as are they just lining up for the A.O.-O.O. game the 22nd. Do you and we intend to come to the game. To present

Went to the game and saw a few new players. Hope you will see some of them again.

[Faint, mostly illegible handwriting continues on the page, appearing as bleed-through from the reverse side.]
