Dear Owen, Marie and Baby,

I have not heard from you for some little time and hope that everything is well with you. I understand that your dad is almost completely well, and I am very happy over it.

I presume that you will want to take in some of the games this year, and I assure you you will be more than welcome at the old homestead. You will be surprised at the building activity that is being carried on on the acreage south of our home.

I am getting anxious to see my great grandson again who is probably quite a boy by this time.

Lovingly,

Grandad
