Mr. and Mrs. Carl Olander & Mr. Wayne  
619 North Batten  
Wichita, Kansas

Dear Eileen:

Thank you a lot for the Father's Day greeting that you sent me. That's the next best thing to seeing you face to face.

They tell me that Wayne is quite grown up and I am sure that I would notice quite a difference in him, although, he has always been much more of a man than his months or years would indicate.

Janet is with me and we like the Scotts. They are taking hold very nicely and everything is running along smoothly at the old homestead.

As ever,
