

Hi GRANADAD!!

Gulfport has a new well-protected small craft harbor where yachts, motor boats, and sail boats can tie up to a watchman patrolled dock. Encircling the small craft harbor is the causeway with the recreation center.

Mother, Lena + I are enjoying every minute down here.

The sun is out most of the time and I got a good tan yesterday.

There is a carnival going on now - so the hotel is very lively but we are all getting a good rest.

So glad seeing you Easter.

Love, Marilyn
