

three weeks in July, so we will have a good  
bit there.

Hope to see you this week and will  
inform you if there is any change in plans.

All my love & a big until I see you

devotedly

Blanche,

Which has been very bothersome  
& he has gone to an eye doctor  
today to see about it.

I'm wondering if one of the girls  
might have been with you yesterday  
& that Janet might come since  
Mily was there in Lawrence.

Marilyn & Bob came in tonight  
for three days. Bob has to be  
here on business & of course I am  
delighted to have them.

It was wonderful having  
Eileen & Mr Wayne here, but  
with Pat sick in bed for 3 days  
I was pretty busy. Frances is a  
fine girl & a wonderful house  
guest so we got along fine altho  
I couldn't party or go much.

I am making plans to be  
with you in Minnesota the first
