Dear Granddaddy,

It was certainly sweet
of you to think of me on
Mother's Day & I am planning
to buy a new blouse with
the check, to go with a new
skirt of mine. Many many
thanks. Only a wonderful
man as you would
think of such a thing.

I believe Wayne & I
will accompany you &
Mother to Minnesota &
spend a couple of weeks
with you in July. I am
certainly hoping & looking
forward to it & see no
reason ^{now} why I can't go.
I only wish Carl could
come with us but am
afraid he'll have to remain
at home.
