

We are putting alot
of time & work into
our yard & garden.
Things are beginning to
blacken & green up now
& I think every thing's going
to look nice.

Carl & I are planning
a vacation together to
Lake City, ^{Calo.} in August and
will be there with
Dwen & Marie & Dad.

Many thanks again
to my aunt & looking
forward to seeing you
soon.

Much love,

Ellen
