

Monday

Dear Dad -

Have'nt heard from you recently
so that I'd drop you a line.

I sent a little package from Wolfersburg
which should arrive soon. It's nothing much but
think you & Mr. Carnick might enjoy it.

Shall I send you Christmas box to Lawrence
or to Janet? A letter from Janet recently (just
before she left for N.Y. City) said she expected you
for Christmas. I am wrapping & mailing packages this
week so let me know as soon as please.

Pat & I sent Christmas cards this year &
have addressed, stamped & licked them all ready
to send. Have done all mine & Mother's shopping
& have two things to wrap now. Next week, 24th is
busy with Christmas cookies & candy.

If you change your mind & decide to come
to Tulsa, we'd love having you.

Edna & Wayne will fly in on the 19th
of Dec. to spend a few days before Christmas,
since Carl can make such a short visit.
The other children will arrive Friday night & go
back Monday. I have rented another baby
bed so both little men can be comfortable.

Pat has been feeling only so-so. We
went to a formal dinner party Sat. night at
Hedlthes, it was fun to dress up for a change
& Pat seemed to enjoy it. Over 2 years
ago he wore his tux.
